

Antioch High Seeks \$2.6 Million In Bonds

Residents of the Antioch Community High School District will be asked March 23 to approve a \$2.6 million school building bond issue.

The bond issue, if approved, will be used for an addition to and the remodeling of the high school complex.

It would provide 18 new classrooms and 5 special areas.

Included in the issue would be:

1. An addition to the north of the 1952 and 1962 structure to house 18 new classrooms, a student commons, a library resource center and other associated facilities.

2. A boys' gymnasium north and immediately adjacent to the existing 1952 gym that will be used interchangeably by both boys and girls in physical education and athletics.

3. An addition to the east of the 1962 annex and the 1962 boys locker rooms and the band rooms for art, speech and vocal facilities.

4. Driver and safety education and health rooms will be located adjacent and to the west of the new gym facility.

5. Remodeling to the 1915, 1927 and 1952 facilities will include:

- Replace deteriorating windows in the 1915 and 1927 additions.
- Expand industrial arts department.

- Improve utilization of auditorium facilities.

- Improve plumbing and cabinet storage in home economics department.

- Add restroom for girls to health-nurse clinic.

- Improve plumbing in special education.

Integrate audio-visual facilities with auditorium audio-visual equipment.

Convert plumbing in existing boys' gym.

The board pointed out that the existing facilities house about 1100 students and the combination of the proposed addition and the present building will handle an estimated 1,600 students.

At the present time the school population is 1,064 but it is expected to jump to 1,141 next year and 1,414 by the 1975-76 school term.

The District, which includes Antioch, Lake Villa and Newport Townships, presently has a population of 18,050.

This is expected to jump by 1975 to 29,470.

Supt. Albert Dittman said the children are being penalized at the present time because facilities are becoming overcrowded.

Antioch High now has one of the longest school days of any school in the county—7:45 a.m. to 3:40 p.m.

The cost to the home owner for the program would be an increase of .2025 cents for each \$100 of assessed valuation.

In other words, if a home is assessed at \$10,000 per year, the cost would be \$20.25.

Antioch High School at the present time compares favorably with other communities.

The present rate is \$1.475 and with the new rate would pay \$1.6775.

Tax rates for the 1967-68 school operations for Round Lake High School are \$1.877; Grant High, \$1.577; Grayslake High, \$2.062 and Warren High, \$1.514.

The board said the program is

expected to be completed, if the bond issue is approved, by the fall of 1969 or the following spring with an estimated 1969-70 enrollment of 1,230 students.

The board pointed out the program is needed for the educational opportunities of the boys and girls of the school district.

Additional facilities are needed due to increased enrollment and renovation is necessary to bring the old structures up to current and future educational standards.

Existing classrooms are being

used to maximum during the school days and some classes are meeting in the auditorium because of overcrowded conditions.

The board said limited facilities (Continued on page three)

Antioch "It's Academic" Team Wins 2 Bonds

Saturday, Feb. 24, Antioch High School participated in the TV Show, "It's Academic" on Channel 5 at the studios of WMAQ.

Antioch defeated Lake Forest and Wheeling to win a \$100 savings bond for the school. The TV showing will be on April 13.

Antioch scored 300 points to Lake Forest's 290 and Wheeling's 235 points.

Members of the Antioch team were three seniors, Roger Kovach, Linda Grego and Tony Haber. This was Roger's third year being a member of the Antioch team on "It's Academic."

Antioch alternates were: Russell Swim, Jim Van Doren and Joe Parsons.

The Antioch team returned to the TV studio again on Sunday for a play-off with New Trier

West and Palatine High School. Palatine was the winner in the grab bag round scoring 350. Antioch tied with New Trier West, each having a score of 280. The Antioch team won a \$25 savings bond for the school for their second place tie.

The TV broadcast of the second contest will appear on Channel 5 on April 27.

Total Snow This Season: 27.5"

Remarks: On Feb. 1, 1968 I received the "Summary of 1967 Illinois Weather" from the Illinois Cooperative Crop Reporting Service and I will give you the meat of that bulletin.

As they said "1967 'twas a most unusual year," it seemed that each weather element was determined to out-do all others; starting with record breaking snowfall, ice storms, and tornadoes in Jan.-in April the deadliest tornado day since 1925. Some point rainfall amounts in June which exceeded the "Once in a 100 years" expectancy; the long cool summer May through Nov., the coolest average in more than 75 years of record. No summer maximum has ever been lower than the 98°F of 1967 and ending up with the latest blooming Dec. tornadoes of record, and, on the final day, the coldest New Year's Eve in many Illinois locations.

The warmest day was 98°F at Harrisburg on the 14th of June. In July the maximum was 97°F near broke the 96° record low of 1958 and 60. Several stations established new record low temperatures for individual dates. The July-August combination was the coolest in more than 50 years and for my money I hope we never see another year like '67 as far as weather is concerned.

Mid Winter Concert At ACHS March 9

The Antioch High School Fine Arts Department will present its annual Mid-Winter concert on Saturday, March 9 at 8 p.m. in the high school auditorium.

The program will feature the Concert Choir under the direction of Mr. Ralph Brooke and the Concert Band under the direction of Mr. Joseph T. Rush.

The choir and the band will play numbers that they have been preparing for the State Band and Choir contest which will be held at Antioch on March 16.

Tickets for the Mid-Winter concert are being sold by the band and choir members and can also be purchased at the door beginning at 7:30 p.m.

Antioch High School Concert Choir under the direction of Mr. Ralph Brooke rehearse for Mid-Winter Concert on March 9.

Antioch Community High School Concert Band under the direction of Joseph T. Rush will be featured in the Mid Winter Concert program Saturday, March 9 at 8:00 p.m., in the high school auditorium.

Millburn Board Approves Contracts

Contracts for the new Millburn school addition were approved at a special board meeting Tuesday night and contracts will be signed at the March board meeting.

The general contract amounting to \$77,410 was given to Ames Bros. of Waukegan.

The electrical contract went to Genesee Elec. Co., Inc. of Waukegan for \$10,420, and the heating and ventilation contract in the

amount of \$17,801 went to Paul Avery of Lake Villa. The plumbing contract went to Jorgensen Plumbing at Round Lake for \$7,432.

Construction will start as soon as the contracts are signed and weather permits.

Administration Building Tours Are Set

Lake County's new 10-story administration building will be formally opened to the public this weekend from 1 to 6 p.m. on both Saturday and Sunday.

"We urge the public to come and visit our building and see county government's operation," Lloyd E. Murrie, Antioch Township supervisor and chairman of the Lake County Board of Supervisors, and Taisto Aho, chairman of the Lake County Public Building Commission said in a joint statement.

The administration building, completed and occupied at the end of last year, is the first phase. The second and third phases are the jail building, expected to be completed in June, and the courts building, scheduled for completion in June 1969.

Every county department in the administration building will be manned this weekend so that personnel can explain its particular operation.

Project Vietnam Gets More Letters of Thanks

Project Vietnam continues in its second year. The PTA of Grass Lake School will prepare the March packages for mailing on Monday, March 4 at 7:30 p.m. at the Grass Lake School gym.

The following letters have been received regarding Vietnam packages:

Feb. 16, 1968

Dear Antioch Post Office and to the people who support the Vietnam Project:

I really don't know how to thank you for the packages. Right now we are in our bunkers, eating the popcorn. It is great! It really makes me feel good to know there are that many people who care about us over here, and you can't believe how important the things are that I receive from you. We have no way of getting anything. We have no PX up north where I am.

I used to be out in the Field with A Co. 1st of the 12th, but they lost mechanics in the motor pool and I know something about mechanics, so now I'm in the main base camp, helping out as a mechanic.

This gives me a good chance to

thank you people for all the things you sent and to tell you that they are well appreciated.

Right now, we are about 26 miles from the DMZ and with the problems up here, it's great to have letters and things like popcorn to take your mind off this place.

I want to thank you once more for your thoughts of us over here. Thank you.

ROBERT ZOBOR

P.S. I also want to add my thanks to wonderful people like yourselves. We all appreciate your thought, kindness, and the expense you've gone through to make it a little easier on us. Once again, thank you.

Antioch High To Get 2 Coaches

The Antioch Community High School Board met last Wednesday, Feb. 21 and Ward Lear, Director of Athletics talked to the board about the large number of boys participating in the athletic program and the need for more coaches. The board went on record to approve the assignment of a second assistant varsity football coach and an assistant freshman basketball coach.

Due to increased enrollment, the school is buying a replacement and one additional bus. Superior Body Company of Kankakee was low with a bid of \$6918 for two bus bodies. Earl Stringer was low bidder on two Dodge chassis at \$7594. The chassis include wheels, frames and motors.

Earl Stringer will service and repair the new Dodge chassis busses and Pedersen Bros. Implement Co. will service the GMC's. The International will be serviced by Olson Implement Co.

Ken Albright Gets 25 Year Service Award

Kenneth J. Albright, of Indian Point, has just completed 25 years with Lindberg Hevi Duty Division of Sola Basic Industries, Chicago, where he is employed as a mechanical designer.

Albright received a service honor award at a banquet Thursday evening at Ferrara Manor, in Chicago, in recognition of 25 years of outstanding service and achievement. He officially was made a member of the Quarter Century Club.

He has been a resident of Indian Point for 17 years, is married and the father of three sons, Jim, sophomore at Antioch High School; Scott an 8th grader and Steve a 6th grader at Grass Lake School. His wife, Lupe, is vice-president and program chairman of the Grass Lake School PTA.

Board Grants Pay Raise To All ACHS Teachers

A substantial pay raise for each of the Antioch Community High School teachers was granted Wednesday night by the Board of Education.

The Board Salary Committee and the Teacher Welfare Committee have conducted five joint negotiation meetings and several independent committee meetings since November, 1967.

The committees were composed of the following:

Board Members: John Blackman, Chairman; Dr. Albert Bucar, William Petty, William Brook, Board President, ex-officio.

Teachers: William Spemann,

Chairman; Roger Andrews, and Charles Lindholm.

Administration: Albert Dittman, Supt., Warren Polley, Asst. Supt.

A beginning teacher with a Bachelor's degree will make \$6,200 and in 10 steps receive \$8,990. The teacher with the Bachelor's degree and 15 semester hours of graduate hours will make \$6,510 with a top of \$10,230 in 13 steps. Teachers with Master's degrees will start at \$6,820 and in 15 steps receive \$11,160.

The Master's degree and 15 hours will start at \$7,130 and in 16 steps receive \$11,780.

Local Schools Cooperate In Summer Remedial Program

The Antioch Community High School Board voted to join a cooperative with Emmons Grade School, Grass Lake School, Antioch Grade School, Millburn School, Prince of Peace School and St. Peter's School to provide programs for educationally disadvantaged students, not offered as part of the regular school program.

In the past, the high school and Lake Villa District No. 41 have used these funds for summer remedial programs, the high school in the summers of 1966 and 1967 and Lake Villa in the summer of 1967.

Lake Villa decided to continue using its program for one more year before considering joining the cooperative.

The deadline for presenting a summer project for 1968 is March 15.

Ennions, Grass Lake, Antioch Grade and Millburn School boards have all voted in favor of joining this cooperative.

Funds available by districts under Elementary and Secondary Education Act ESEA Title I, for the current 1967-68 school year are:

No. 34 Antioch Elementary	\$12,551
No. 33 Ennions	1,273

No. 36 Grass Lake

No. 41 Lake Villa

No. 24 Millburn

No. 117 Antioch II. S.

Children enrolled at Prince of Peace and St. Peter's are included in the Lake Villa No. 41 and the Antioch 35 totals respectively, as this is where the buildings these students attend are located.

The state consultants have indicated that an expenditure of \$100 to \$200 per student is a good index to use for determining the number of students to be included in a program.

Correction On ACHS Immunization Story

The following is a correction of the article regarding the Antioch Community Consolidated Grade School District No. 34 immunization survey, which appeared in the Feb. 22 issue of the Antioch News.

The Board received an Immunization Survey Report dated December 14, 1967. Eleven hundred forty-three forms were sent out and 912/3% of the forms were completed and returned. Review of the forms returned showed that 98 1/2% of the students have received their Basic Diphtheria, Pertussis, and Tetanus immunizations; 92 1/2% have received Small Pox vaccinations; 93 1/2% have been immunized against Measles, and 83% have received Oral Polio immunization.

EDITORIAL Needed Action

We were privileged last week to attend a one-day seminar on drugs and narcotics addiction, put on by the Lake County Crime Commission.

To say that we were impressed would be putting it mildly.

We found, for example, that the continued use of dangerous drugs—not the narcotics such as heroin and cocaine—not only causes the user to view dangerous acts as attractive—but also changes the physical appearance of the user.

We were amazed to find out that of the 10 billion pills—stimulants and depressants—manufactured in the United States each year, some 5 billion of them end up being used illegally.

But what particularly impressed us was a film on LSD and its use.

We feel that the federal authorities, who put on the entire program, could do us all a service by having the program in each and every high school throughout Lake County.

We particularly advocate this program because of the fact that narcotics and dangerous drugs are being pushed out of the big cities and into the suburban areas, such as ours.

A particular segment of the film on LSD pointed out that the user—some months later—may be struck by a recurrence of his "trip" and this would be extremely dangerous, if for instance, he were driving an auto at the time.

We feel that if the program was put on in the high schools, many potential users among the younger set would be deterred from ever trying the drug or narcotics route.

It is well and good that law enforcement officers and federal authorities are able to recognize these drugs and the addicts after the addiction occurs.

We feel it would be better if the addiction would be cut off before it could begin and we believe this program could go a long ways toward that end.

We commend the Lake County Crime Commission and its director C. Robert Post for an enlightening day.

Vacations

Even though it is the dead of winter—it is time to look forward to vacations.

A research of the subject disclosed that only 35 per cent of all American adults took a vacation trip last year.

And more than 80 million Americans didn't venture more than 200 miles from home for any purpose.

April has been proclaimed as "Have A Holiday" month by the National Restaurant Association and the American Hotel and Motel Association.

Now we realize that everyone can't take a vacation.

But there is nothing stopping you from taking the little lady out to dinner.

Did you know that almost one in 10 families report they never eat out.

With Christmas and New Year's only dim memories, April seems like an ideal time to enjoy a "Holiday."

Bill Ream Due Home In March

William J. Ream, of rural Antioch writes in part—
"Send no more letters in care of Pusan, Taegu, Taejon, Seoul, Yoon-Dung Po, or any of the other thriving metropolises of Korea—get the civilian clothes out of the moth-balls and be sure to fill the ice box—I'm coming home."

Ream adds: "You must make allowances for the very crude environment in which I've been for the past seventeen months. Show no alarm if I insist on taking off my shoes before entering a room, or if I have a tendency to bow low when someone enters a

room. Keep cool if I carry my chop tools (knife, spoon, fork) to and from my bedroom for each meal. Don't panic if I ask for fish heads and rice instead of steak and potatoes and when I pull the blankets and sheets from the bed and sleep on the floor, just remind yourself that the local customs grow on a man."

Ream expects to be enroute home the first week in March.

Your Congressman Reports...

By Cong. Robert McClory

One of the dilemmas of the Vietnam war is the increasing involvement of American forces and the seeming diminution of South Vietnamese participation.

While serving as President, on two occasions General Eisenhower declared: "I do not envisage the need of any appreciable (American) forces..." "Additional ground forces should come from Asiatic and European troops already in the region."

The policies of Presidents Eisenhower and Kennedy were to employ American forces as "advisers" to the South Vietnamese military establishment.

Twelve years have elapsed since such efforts were first made to develop a strong South Vietnamese military force. Today, the goal appears further away than it did then.

It seems symbolic of the current trend of events that American Marines fought to recapture the citadel of the ancient Vietnamese capital of Hue and to raise the American flag. Some critics have suggested that it would have been far better had the Marines hoisted the South Vietnamese flag, yet this military success was not due to the South Vietnamese forces but belonged to our own American "leathernecks," many of whom gave their lives in that battle.

This is not to say that more than 700,000 Vietnamese troops are without some capacity to fight. However, the description of a competent military fighting force should include relatively few as even many of the South Vietnamese leaders are unreliable.

When I visited Vietnam, one of our top officers advised that the policy of long consultations with their Vietnamese counterparts had been abandoned in favor of a policy of "advising" the Vietnamese generals at almost the moment of attack. I was informed this change of strategy was adopted after a number of sad experiences where American battle plans were leaked to the enemy in advance. Such an untrustworthy ally, combined with the lack of experience and competence, makes the American mission in Vietnam difficult—conceivably even a hopeless one.

Less than four years ago, President Johnson declared, without hesitancy or equivocation, that:

"We don't want our American boys to do the fighting for the Asian boys..."

"We don't want to get involved in a nation with 700 million people and get tied down in a land war in Asia."

About six months later, the President took the step which seems to contradict his earlier statements. Today, American forces in Vietnam number in excess of 500,000, with more than 10,000 additional troops being rushed to the aid of our beleaguered South Vietnamese allies.

Such additional forces would be superfluous, of course, if any genuine progress in the Vietnamese fighting potential had occurred. Instead, it appears that the participation by South Vietnamese forces is diminishing while the unilateral action of American units is stepped-up. Not infrequently an American military commander opines to this effect:

"I wish our South Vietnamese allies displayed one-half the guts that the Viet Cong show."

The tragedy and the dilemma of Vietnam are indicated in such expressions. Indeed, the entire objective of peace in Vietnam and freedom for Southeast Asia is tied in with the courage and skill which the South Vietnamese, themselves, are able to provide. Peace and tranquility can be restored to Southeast Asia and Communist aggression can be halted throughout that area of the world only if the will to resist aggression is paramount with those at whose sides we have agreed to fight. The next few months may well determine whether that will to resist is sufficient to achieve success. This conclusive struggle is certainly not America's alone. Indeed, it depends primarily on the Vietnamese.

A hopeful note was sounded last week by Walt W. Rostow, the President's chief adviser on Vietnam, who indicated that the recent Viet Cong attacks on the cities "may have left the South Vietnamese army and government institutions stronger than

Rep. Matijevich Seeks 2nd Term In 31st District

State Rep. John S. Matijevich, D-North Chicago, has announced he will be a candidate for reelection in the 31st District which includes Antioch, in the June 11 primary.

As a freshman representative, Matijevich served on the executive committee and the committee on higher education.

He is also a member of the Northern Illinois Water Resources and Conservation Commission and the Local Government Board Selection Commission.

The former North Chicago police chief and magistrate fought for more state police during his initial term and spoke in behalf of higher salaries for police and firemen.

"I will continue to support proposals to gain aid and support for law enforcement," Matijevich said.

During the recent session he illustrated how easy it was to carry a concealed weapon by pulling out a fake pistol during a hearing before the judiciary committee and gained support and eventual passage of a measure to increase penalties for the unlawful use of weapons.

Matijevich has urged county-wide solidarity in planning and progress.

"Lake County is expanding at a rapid rate," he said, "and we must work together to promote better schools, highways, housing, industrial growth, recreational opportunities and business and business vitality."

"In the years ahead Lake County and the state will face many problems involving water and air pollution, intergovernmental cooperation, insurance reform and many issues to provide better, responsive government."

"As long as I am representative of the people I will continue to keep the public informed on issues, and to work for the welfare of the people."

Matijevich is treasurer of the Lake County Council on Alcoholism and has served as secretary of the Lake County Law Enforcement Association. He is a member of the Moose, Elks, and American Legion and is a graduate of Lake Forest College.

Abbott Lab Forms Hospital Division

A major new Hospital Products Division has been formed by the Abbott Laboratories, North Chicago, to serve the special needs of the U. S. hospital market. It was announced by Edward J. Loder, president.

About 5 per cent of Abbott's domestic drug and hospital product sales combined now go into the expanding hospital market. Abbott's sales to hospitals of both hospital products and pharmaceuticals were up approximately 2 per cent in 1967 and are expected to more than double by 1971.

Loder said that the new division will specialize in the research, development, manufacture, and marketing of both new and established Abbott hospital products and will be managed by Dr. Herbert M. Gross, director, Hospital Products Division.

before the attacks."

Rostow went on to declare that the South Vietnamese "have come closer to a sense of nationhood than ever before."

Stephanie Sulthin Seeks Third Term

Mrs. Stephanie Pucin Sulthin, of Lake Bluff, clerk of the Circuit Court of Lake County today announced her candidacy for a third term in office.

Mrs. Sulthin, who was appointed to the office Jan. 1, 1966 by the presiding judges of the 19th Judicial Circuit, said she will file her nominating petitions Monday for a place on the Republican ballot for the June 11 primary.

A native of North Chicago, Mrs. Sulthin served as chief deputy clerk under the late L. J. Wilmet for more than a decade before being appointed to the office on his retirement.

She was elected to her first full term in 1960 and re-elected in 1964.

"I feel that I have performed the duties of this office in a most capable and efficient manner and in the best interests of the people of Lake County," she said.

"The judicial revision in 1964 greatly increased the duties and obligations of the clerk and required a tremendous reorganization and expansion of the department."

"More changes are being contemplated and it will require the knowledge of a person with experience in office to implement these changes."

Since taking office, Mrs. Sulthin has embarked on a large-scale modernization program to keep pace with the tremendous increase in the operation of the office since the judicial amendment eliminated county, probate and magistrate courts and placed their functions under the circuit jurisdiction.

As vice president of the Illinois Association of Court Clerks and a member of a special committee of judges and clerks, Mrs. Sulthin is now in the process of developing a state-wide uniform record-keeping and accounting system.

Active in civic affairs as well as politics, Mrs. Sulthin was Lake County Chairman of the Heart Fund Drive last year and has served as chairman of the Cerebral Palsy Fund Drive and Heart Fund Drive in Lake Bluff and at present serves as area director of the 1968 Heart Fund Drive.

In addition she is president of the Altrusa Club of Waukegan, a life member of the Waukegan, North Chicago Chamber of Commerce, Lake County Navy,

Ligue, Chicago Council on Foreign Relations and the Emblem Club.

She and her husband, Chris, live at 214 W. Sheridan Place, Lake Bluff.

Lake Villa To Hire Full Time Policeman

Two persons have applied for the job of full-time policeman for Lake Villa and the village board committee is having difficulty in selecting one, as both men have excellent qualifications. The name of the policeman selected will be revealed at the Monday night meeting of the Lake Villa Village Board.

Applications are being accepted for a clerical position in the village hall. The job will be part-time; with about 15 hours a week at \$2 per hour. Some of the duties of the village clerk are to prepare papers requested by the mayor, handle the village seal, sign papers and take minutes of the village board meeting.

The village hall will be open three days a week Monday, Wednesday and Friday when the clerk is appointed.

Abbott Sells New Records For 1967

Abbott Laboratories of North Chicago achieved new records both in sales and earnings during 1967, it was announced today by George R. Cain, chairman of the board.

Sales reached \$303.3 million in 1967, up 13.3 per cent from \$267.8 million in 1966. 1967 earnings rose to \$20.1 million, or \$2.10 per share from \$26.9 million or \$2.03 per share in 1966.

In the fourth quarter of 1967, sales rose 16.9 per cent to \$80.3 million from \$68.7 million in 1966. Earnings increased 34.5 per cent to \$8.6 million from \$6.4 million. Earnings per share were 64 cents as compared with 46 cents in 1966. All figures have been adjusted to reflect the acquisition of Courtland Laboratories in October, 1967.

Symbol of Better Health

Rx Stands For Prescriptions

There are many theories regarding the origin of the symbol, "Rx". One claims that it is an abbreviation of the Latin word "recipe". Whatever its origin, the "Rx" today symbolizes the prescriptions that help us attain better health, longer life.

Check Your Tax Deductions

Chicago — Some payments received by Illinois taxpayers on account of illness or personal injury are not taxable income, E. C. Coyle, Jr., District Director of Internal Revenue said today.

Subject to certain limitations, the law allows a taxpayer to exclude from his income amounts received under a wage continuation plan financed by his employer when he is absent from his work due to injury or sickness. The taxpayer must attach a statement to his return showing the computation of the amount excluded, the dates of absence, and whether or not he was hospitalized. Form 2440 may be used for this purpose.

To determine the amount of the sick pay exclusion, first determine whether "sick pay" was over 75 percent of the regular weekly rate of pay. If over 75 percent is received there is a 30-calendar day waiting period. Thereafter the amount to be excluded is limited to a rate not to exceed \$100 a week or the weekly pay whichever is the lesser.

If 75 percent or less of the regular weekly pay is received, the waiting period is seven calendar days unless there is at least one day's hospitalization during the period of absence. If so, then there is no waiting period. During the first 30 calendar days the exclusion may not exceed \$75 or the weekly pay whichever is lower. After the 30 days, the exclusion may not exceed a weekly rate of \$100.

Amounts received as a disability pension will qualify for the sick pay exclusion if the taxpayer becomes permanently disabled due to sickness or injury before he reaches retirement age; and all, or part of the cost of the pension was contributed by his employer.

Document No. 5016, which furnishes more detailed information on this subject, and Form 2440 may be obtained by dropping a post card to the Internal Revenue Service, Public Information Office, Post Office Box 1193, Chicago, Illinois 60690.

Applications For New State Troopers Are Now Available

The Illinois State Police Academy graduated 490 new troopers last week. William H. Morris, Superintendent of Illinois State Police said that a second class began training January 1 and a third class will take the place of today's graduates on Feb. 25. A total of 300 new officers will be added to the force under current manpower authorization.

Professional studies include criminal investigation, weapons, jurisprudence, traffic law enforcement and subjects such as first-aid and judo.

Applications are being received for additional classes by the State Police Merit Board, Ridgely Building, Springfield, Ill. 62706. Entrance tests are being held throughout the state on the first Saturday of each month at 11 State Police district headquarters offices.

Do Your Share: Help Stop Air Pollution

The problem of air pollution has been much in the news in recent years.

For people who live in metropolitan areas—which now means most of us—air pollution becomes more apparent all the time. The American Medical Association points out that there's little doubt that pollutants in the air aren't good for us. Just how serious a health problem is air pollution is a question still being studied. It has been associated with a number of various physical ailments.

We read about air pollution, but it seldom occurs to us that we can do something about it. Isn't air pollution merely a matter for the factory with the belching smokestack, or the apartment building with a smoky incinerator? Actually, there are some things we all can do to reduce air pollution.

Make it a point to know air pollution dangers, and seek from elected representatives legislation to control these hazards.

An important source of air pollution is the exhaust pipe on the family auto. Keep the engine in good order. Have the exhaust system inspected regularly. This will not only reduce air pollution, it also will save money on gasoline.

Keep your home furnace in good working order. Have it checked annually, both for your safety and for the sake of the community.

Leaves, trash and rubbish should not be burned in metropolitan areas. Arrange for the proper agency to haul them away to a proper disposal point.

Prevention of air pollution is a matter that must be met by the whole community. Proper laws are required where voluntary actions are inadequate. Tight enforcement of these laws is essential.

We can anticipate that air pollution will continue to be much in the news in the years ahead. The problem will be solved much sooner if all of us become aware that it is serious, and that all of us are involved in its ultimate solution.

3 Flags Presented To Antioch High

Three flags were presented to Mr. Albert Dittman for Antioch High School Thursday at a special flag assembly.

Albert Fronek presented the national flag, a gift to the high school from the Antioch American Legion; Mayor Ray Toft presented the town flag, a gift from the village of Antioch and the Chamber of Commerce and Morris Tharp, assistant student council adviser presented the state flag.

Mrs. Ted Larson was the guest speaker and gave a talk on "George Washington."

William Brook, president of the Antioch High School Board expressed the appreciation of the school for making these flags available and for the interest of these groups in the school.

The program also included a presentation by the band and the Freshman Girls' Chorus.

142 Attend Grass Lake Blue & Gold Dinner

A magnificent Statue of Liberty, surrounded by a display of Cub Scout handcraft, greeted 142 guests, family and friends at Cub Pack 80's Blue and Gold dinner at Grass Lake School Sunday afternoon.

The Statue of Liberty stood 6 feet tall and was created by Mrs. I. Okrzesik, whose son, Jim, is an active Cub Scout. The statue was made out of shoe boxes, paper, tubes, plastic bottles, an old starched sheet, and was sprayed with gold paint. Mrs. Okrzesik worked on the creation of the statue for over a week. Beneath the statue was a brief history of her ladyship. It will remain on display in the lobby of Grass Lake School.

Lawrence Yopp introduced the Cub Scout Committee. Members and honored guest, Mrs. Helen Nolan, president of the Grass Lake School PTA. Mrs. Nolan gave a talk on what a Scout really is. Prayers were said by Ray Morrison.

A buffet smorgasbord dinner was served by the Cub Scout mothers. A two tier platform Cub Scout Cake decorated with flags and gold wolf, bear and lion heads was made by den mother Lou Belz for the occasion.

Immediately following the dinner, games were played by the Cub Scouts under the leadership of Bob Flint.

Robert Taylor received a Bobcat award and David Morrison received a wolf badge and one gold and 2 silver arrows. Kurt Flint received a bear badge, one gold and 2 silver arrows. Larry Grant received a bear badge and an athletic activity award.

Randy Vaughn received the Webelos Arrow of Light award, Richard Bailey a Webelos Den Badge, and George Hermanek became a Webelos Scout and received the Webelos den badge and neekkerchief.

Webelos Athletic Activity awards were given to Ray Morrison, Richard Bailey, Scott Davis, Harry Zoll and Randy Vaughn. Randy also received a Craftsman award.

Silver arrows were presented to Cub Scouts Jim Okrzesik and Mike Vaughn. Two silver arrows were given to David Pitner and Fred Malecki received the Moon Shot Award.

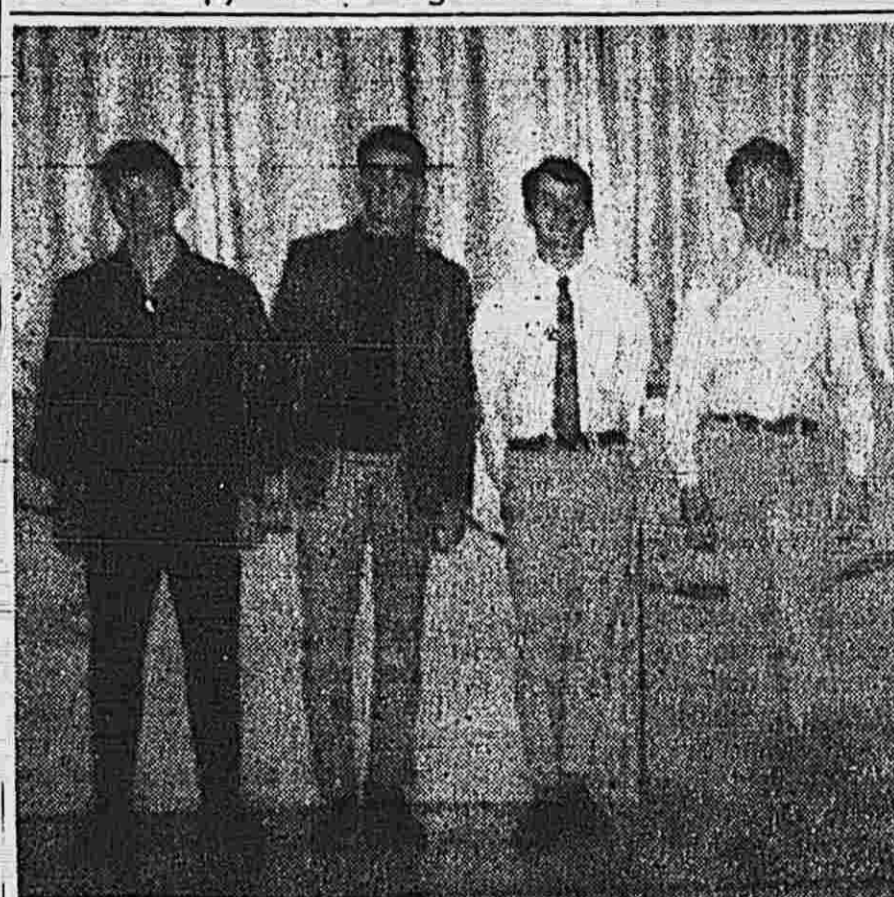

Den badges were earned by Harry Zoll and Larry Lloyd, and a Denner's Bar was earned by Tim Troyer and an Assistant Denner's bar by Scott Nohava.

In the yearly contest award, David Pitner received the gold medal with a perfect score of 100. Jack Wojnowiak received the second place silver medal and Ken Bloom and Randy Vaughn tied for third place and received bronze medals.

After the awards ceremony the annual Pinewood Derby took place. A new eight car track was built by Cubmaster Mike Wojnowiak and Bill Belz. The

Birt Pauli and Eric Belz display their cars "Snoopy", complete with dog house and "The Red Baron". Eric Belz a member of Grass Lake School Cub Pack 80 raced the "Red Baron" in the big Pinewood Derby Sunday. Pauli raced "Snoopy" in the "big kids" race.

"The Expedition", a musical group, featuring (from left to right), Jocko Koppen (a Grass Lake School alumni) on the drums, Tom Martin, John Devos and Jeff Cole on the guitars, provided music for a dance for 6th, 7th and 8th graders at Grass Lake School last Friday night.

first place Derby winner was David Morrison; Randy Vaughn took 2nd place and George Hermanek 3rd.

Birt Pauli of LaGrange Park created one of the most novel cars. Snoopy, in a dog house was the driver, and Eric Belz's car was red with the Red Baron as the driver. Pauli entered his car in the "big kids" fun race and competed with Bill Belz, Mike Wojnowiak and Gary Vaughn. This last race proved that men are still kids at heart.

Tom Robinson finally came up with some good tobogganing weather Monday night and 60 Cub Scouts and their families enjoyed an evening of tobogganing at Lupa's.

68 Attend AARP Meeting Tuesday

Sixty-eight members of the Antioch Chapter No. 387 of the AARP attended the meeting Tuesday.

The big subject under discussion was the possibility of building a low rent housing unit for the elderly in the Antioch area.

A resolution was made to make a survey in the Antioch area and it was voted on at the meeting. The resolution will be presented to the village board for acceptance and then forwarded to the Lake County Housing Authority.

Two requests were made for "more time" by the By-laws committee and the election committee. Both committees are to give reports at the March 12 meeting.

The big feature on the agenda for the March 12 meeting will be a Silent Auction. Members were asked to bring a small item to be auctioned off, at this meeting.

SOCIETY—Antioch Rainbows Initiate 2 Girls

Antioch Order of Rainbow for Girls initiated Debbie Lindley and Cathy Wysoglad, new members, at their meeting Monday night.

Donna MacHanes, junior past worthy advisor, acted as worthy advisor in the absence of Judy Wells who was ill.

The official visit of Sister Mary Oetken, grand worthy advisor for the state of Illinois will take place on Sunday, March 10 at 1 p.m. at the Masonic Temple, and there will be a smorgasbord for the girls.

The Rainbows are selling candy to help work their way to Grand Assembly which will be in July at the Conrad Hilton Hotel in Chicago. Mrs. Janet Williams is chairman of the candy committee.

Collecting Shirts

"A new or nearly new shirt for a needy boy" is the slogan the ladies of St. Mark's Church have adopted in their quest for a good supply of shirts, size 8 through 20 for the Lutheran Home at Andover. A box has been prepared for this purpose at the church. They are trying to fill it in time for Easter.

LAKESIDE REBEKAH LODGE

By Del Jahneke

The members of the Lakeside Rebekah Lodge No. 82 were saddened by the death of one of their long-time members, Mrs. Nelson Drom of Antioch and Mesa, Arizona. Mrs. Drom

passed away on February 15, at Mesa, Ariz. Mrs. Walter Buchert, Noble Grand, would like to express her gratitude to all the Rebekah Dodge members who participated in the memorial services, held on Sunday, Feb. 18, in Antioch. Many members, including Mrs. Don Andersen, a non-member, helped serve refreshments after the funeral.

At the Feb. 21 meeting, the Rebekah charter was draped in Mrs. Drom's memory. The following I.O.O.F. members were present at this meeting: Arland Clark, Noble Grand; Charles Ferris, Earl Horton, Harold Dunn and Clarence Perkins.

The regular meeting of the Lakeside Rebekah Lodge will be held on March 6, at the Antioch American Legion Home, at 8:00 p.m. Mrs. Arland Clark and Mrs. Charles Ferris will be the hostesses for the month of March.

MOOSE TOPICS

By Lillian Birdsall

All final plans have been made for the Wild Game dinner to be held at the Antioch Moose Home, Saturday evening, March 2nd. The members of the Antioch Hunt Club, who are sponsoring this dinner, discussed their plans at the meeting of Feb. 22. The menu consists of Buffalo Roast, Venison dressing and all the trimmings. Serving will be from 6 to 9 p.m. Music for dancing will be by Barry Schaffer's Band. Free door prizes will be awarded to one of the attending members. All members and their friends are invited to attend.

There were eight new members and one re-enrollment at the enrollment ceremony for the Loyal Order of Antioch Moose on Sunday morning, Feb. 25. The Antioch Ritual team performed the ceremony for the new members following the serving of breakfast. New members are as follows: John W. Imhauser, sponsored by Buster Schumann; Kenneth Wickman and J. P. Peck, both sponsored by Lester Sperling; George M. Schmalz by Warren Andre; Everett Schreiman by Charles Holmes; Hugo Holbek by Harold Klempner, Frank H. Kiley by Ray Edwards; Glen Grejnalek by Dennis Andre and re-enrollment, Robert Baysinger by Al Erickson. The next enrollment ceremony will be held on Saturday evening, March 30.

The Loyal Order of the Antioch Moose will hold their next meeting on Wednesday evening, Feb. 28. The birthday dinner will be served to the members following the meeting in honor of all members following the meeting in

honor of all members who celebrated their birthday in the month of February.

A Legion Ceremonial will take place at the Waukegan Moose Home on Sunday afternoon, March 3, at 2 p.m. All Legionnaires and their ladies are invited to attend. A buffet style dinner will be served to the members following the ceremony. All Legionnaires are asked to wear their regalia.

The Men's style show which was held at the Antioch Moose Home Saturday evening, Feb. 24, was a grand success. Over 200 members and their friends attended the hilarious affair. Master of ceremony, Ray Dasko had a unique way of presenting models who were all men modeling women's clothing.

A smorgasbord was served to the attending members following the show of which most of them remained until closing, dancing to the music of the Rhythm Kings band.

All the proceeds made from this style show will go for the remodeling program. Ron Polson, chairman of this committee has done a terrific job with the remodeling and the Saturday night affair was an example of the reward for the members. It won't be much longer before it is fully completed and the members are all proud of their new Moose Home.

the station of Senior Regent. Senior Regent Jerri Polson, Jr. Regent Bernie Rosquist Recorder Rose Roth filled in as chairman. Bea Phillips also accompanied the group.

There were 33 members present at the Feb. 15 Chapter meeting. The following co-workers were placed on their respective committees: Cecelia Kuehler on Social Service, Helen Jacobsen on Moose Haven and Josephine Davis on Child Care.

The Moose Haven committee gave a card party Feb. 22 at the Moose Home.

Chicago Chapter 129 had their Green Cap program Sunday, Feb. 25.

An important practice to prepare for Mid-winter Conference will be held at 7:30 p.m. tonight (Thursday) at the Moose Home. All co-workers holding chairs are asked to please attend. Any co-worker wishing to attend the Mid-winter Conference at McHenry on March 11 please contact Senior Regent Jerri Polson before March 2.

A correction is to be made on the donation of the oil painting: Bea Perry is the artist and donor and not Bea Phillips, as stated in the last report.

Antioch Sophs Split 2 Games

Beat Wauconda 67-40
Lose To Zion-Benton 55-45

Antioch's sophomores split two games last weekend beating Wauconda's sophomores at Wauconda Friday night 67-40, and losing to Zion-Benton on Saturday night at home, 55-45.

High scorer Friday night was Antioch's Marty Romaine with 21 points, and top scorer in Saturday night's game was Zion-Benton's Mitchell with 15 points. These two games conclude the season for the sophs and give them a season's record of 5 wins and 19 losses, and a conference record of 5 wins and 9 losses.

Wauconda Bulldogs Beat Sequoits 64-50

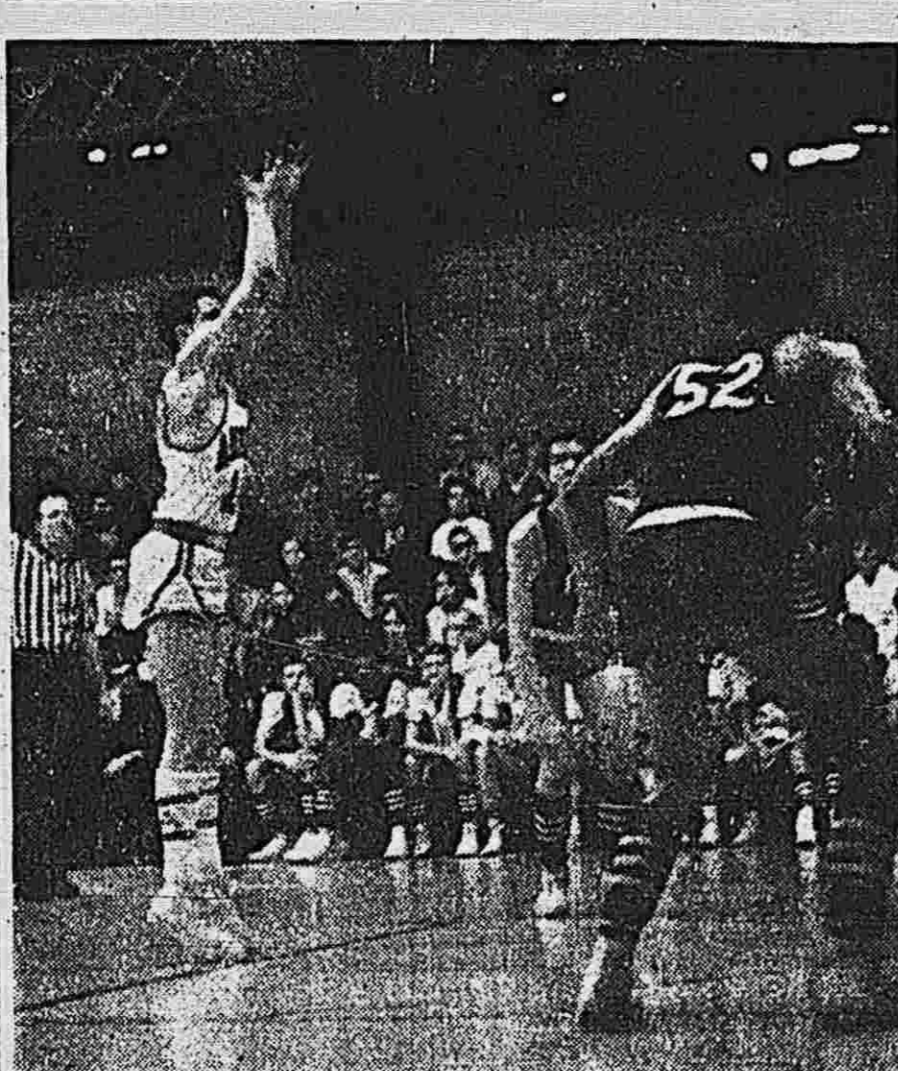

The Antioch Sequoit cagers hitting a snag in the fourth period, lost to the Wauconda Bulldogs on Friday evening, 64 to 50.

The Sequoit team was playing fine steady basketball till the last six minutes of the game. At this point in the game, they trailed like they had a good chance to cut the margin and go on to win the game. But, the ball just wouldn't drop in the basket as their shooting fell off, they missed three free throw attempts and hit on one of 12 attempts from the field.

Steve Miklautsch lead the early attack for the Sequoits, with Steve Owens and Rodney Boswell carrying the teams through the second half.

Wauconda won all the statistical battles, too, rebounding 45 times to Antioch's 33, shooting 36% to Antioch's 35% and hitting 18 of 24 free throw attempts, while the Sequoits hit only 8 of 19 attempts.

Top rebounders for Antioch were Steve Owens with 11, and

Steve Miklautsch scoring from the free throw line in game with Zion.

Antioch Loses To Zion-Benton 86-74

Playing their last home game of the season, the Sequoit cagers really wanted to finish the season on the up beat, but Zion proved to be a real spoiler, beating the Sequoits 86-74.

The play in the first half was all Antioch, as the team moved quickly and smoothly through their offense and scored on many easy baskets. Bill Smith, Steve Miklautsch and Joel Strahan led the attack with some fine rebounding. During the first half Bill Smith looked real good and also scored well, hitting five baskets. In all eight boys played during the half and all eight scored. Everyone was functioning, their defense, rebounding and offense were at their best. The result, a very fine played first half, with the Sequoits ahead 47 to 39.

In the third quarter, it was all Zion. Bill Smith and Steve Owens were out of the game because of foul trouble, and the Sequoits lost control of the boards. Zion, also, became very hot, hitting 13 baskets in 16 attempts, outscoring the Sequoits 32-13 in this torrid quarter, to take a 71

Lake Michigan To Be Stocked With 90,000 Lake Trout

About 90,000 young lake trout will be stocked in the Illinois waters of Lake Michigan by the Illinois Department of Conservation has reported. An equal number were stocked last year.

The lake trout, a Lake Michigan native, once was a

very important species to commercial fishermen, but was virtually wiped out by the early 1950's. Predation by the sea lamprey, a primitive eel-like creature that would attach itself to a trout and drain it of its blood and body fluids, was the most important of several factors responsible for the decline of this desirable fish.

Commercial fishermen can

not take trout in Lake Michigan, but sport fishermen may do so with hook and line tackle. The daily limit is 8 trout. There is no size limit or closed season on the fish. Anglers must have an Illinois fishing license in their possession when fishing in Illinois waters in Lake Michigan.

BROTHERS ARE CONFERENCE CHAMPS

Wilford Wells and brother Mike Wells display plaques they won in 1968 Northwest Suburban Conference Wrestling Tournament. Coach Hauptman said, "Having two brothers as winners is an unusual event. Mike has probably improved 100% from last year and did one of the most outstanding jobs in his wrestling career. In one day, he defeated a boy from Grant who had beaten him twice and he also defeated a boy from Round Lake, Wallack, who was 15-0 at that time. We hope Mike will go on to school and continue being a champion. I am very proud of Mike's leadership as Captain of the Wrestling Team and will recommend him very highly to whatever schools are interested in him." Hauptman added, "Mike's brother Wilford is also a conference champ and has done a fine job this year."

From left to right: Sophomore wrestlers Pete Levas, Mike Ring, Rick Nelson and Larry Wells display plaques they won in conference tournament. (Larry is a brother of Wilford and Mike Wells). The sophomores are champs also. They opened the sophomore conference tournament and scored more points than any one in the tournament. Ribbons and plaques were given to these winners. Coach Hauptman hopes that the four boys will be wrestling next year and be champs at the varsity level. All four of them, as well as other members of the underclassmen have an opportunity to gain a position on the Varsity Wrestling Squad. Coach Hauptman feels that congratulations are in order to these boys for a job well done.

Antioch Wrestlers Who Went To Sectionals

From left to right: "Wilford Wells, Bob Diemer and Bill Revell went into the sectionals, were close but not successful," according to Coach Andrew Hauptman. "Wilford Wells lost 6-5 in an overtime and Bob Diemer lost 2-1. Bill Revell lost 5-2. These boys had a very outstanding season and we hope that next year Wilford will come back and go further," said Hauptman.

NOW A&P IS REALLY IN THE SOUP

(SOUP BUSINESS. THAT IS)

For years, our Ann Page Division has made great soups... but there were only 3: Tomato, Tomato Rice and Cream of Mushroom.

For some time, we've been working on new varieties.

But you know fussy A&P.

If they are going to be called Ann Page,

there can't be better soups...and you can't rush perfection.

It's taken time but it was worth it.

When you taste our 4 new varieties, you'll agree.

And when you see the prices... you'll want to buy them all.

You should, because they just might be the best values in the store.

One more thing, all 7 have shiny new green, red and gold labels.

Now that A&P is really in the soup business, shouldn't A&P be your store?

B.V. Narusis, Mrs. Runnells Enter Contest

Two more candidates have announced they will run on the Voters' Preferential slate in the 12th Congressional District race for delegates and alternates to the Republican national convention.

Bernard V. Narusis

Bernard V. Narusis, of Cary, a Crystal Lake attorney and Republican committeeman, has announced for delegate and Mary W. Runnells as alternate delegate.

Narusis has a B.A. degree in political science and economics, a master's degree in business administration as well as a law degree.

He served two hitches in the U. S. Army and was formerly chairman of the Crystal Lake Red Cross Fund drive.

Mary W. Runnells

Mrs. Runnells is an outstanding fund raiser for the Republican Party and served the United Republican Fund of Illinois from 1950 to 1964 as chairman, special gifts women's division and is presently vice president and on the board of governors.

She is a member of the Republican National Finance Committee and a member of the Chicago and Florida Committees of the Congressional Boosters Club.

Others on the slate include Irl H. Marshall, Highland Park, a manufacturer and civic leader, running for delegate and Robert P. Will, Zion attorney and assistant Lake County public defender.

living in Precinct 1; at Lake Villa Grade School, for Precinct 2 residents; and at the B. J. Hooper Grade School, Lindenhurst, for Precinct 3.

Dittman said absentee ballots can be obtained by applying at the school by mail no later than March 18 and in person no later than March 20.

Check Your Tax Deductions

Chicago — Some payments received by Illinois taxpayers on account of illness or personal injury are not taxable income, E. C. Coyle, Jr., District Director of Internal Revenue said today.

Subject to certain limitations, the law allows a taxpayer to exclude from his income amounts received under a wage continuation plan financed by his employer when he is absent from his work due to injury or sickness. The taxpayer must attach a statement to his return showing the computation of the amount excluded, the dates of absence, and whether or not he was hospitalized. Form 2440 may be used for this purpose.

To determine the amount of the sick pay exclusion, first determine whether "sick pay" was over 75 percent of the regular weekly rate of pay. If over 75 percent is received there is a 30-calendar day waiting period. Thereafter the amount to be excluded is limited to a rate not to exceed \$100 a week or the weekly pay whichever is the lesser.

If 75 percent or less of the regular weekly pay is received, the waiting period is seven calendar days unless there is at least one day's hospitalization during the period of absence. If so, then there is no waiting period. During the first 30 calendar days the exclusion may not exceed \$75 or the weekly pay whichever is lower. After the 30 days, the exclusion may not exceed a weekly rate of \$100.

Amounts received as a disability pension will qualify for the sick pay exclusion if the taxpayer becomes permanently disabled due to sickness or injury before he reaches retirement age; and all, or part of the cost of the pension was contributed by his employer.

Document No. 5016, which furnishes more detailed information on this subject, and Form 2440 may be obtained by dropping a post card to the Internal Revenue Service, Public Information Office, Post Office Box 1193, Chicago, Illinois 60690.

Applications For New State Troopers Are Now Available

The Illinois State Police Academy graduated 490 new troopers last week. William H. Morris, Superintendent of Illinois State Police said that a second class began training January 1 and a third class will take the place of today's graduates on Feb. 25. A total of 300 new officers will be added to the force under current manpower authorization.

Professional studies include criminal investigation, weapons, jurisprudence, traffic law enforcement and subjects such as first aid and judo.

Applications are being received for additional classes by the State Police Merit Board, Ridgely Building, Springfield, Ill. 62706. Entrance tests are being held throughout the state on the first Saturday of each month at 14 State Police district headquarters offices.

The best time for a man to assert his authority, and show his wife who is boss, is when he gets up enough courage.

NI Gas To Sell Bonds

Northern Illinois Gas Co. has announced that earnings for 1967 reached a record high of \$2.50 a share, up 7 per cent over the 1966 figure of \$2.33.

Marvin Chandler, NI-Gas chairman and president, said the company's revenues also hit a new peak. He reported 1967 revenues of \$241,200,000, compared to \$218,900,000 for 1966.

The company reported increases of 8 per cent in revenues from residential customers. Revenues from commercial customers were up 16 per cent. Industrial and other revenues rose 12 per cent. During 1967 NI-Gas added 31,100 new customers to its lines and extended natural gas service to 12 new communities.

Free Ill. Map Now Available

Copies of the Official Illinois Highway Map for 1968, issued jointly by Governor Otto Kerner and Secretary of State Paul Powell are now available for free distribution.

The 1968 Illinois Highway map is printed in two sections. The second section of the map is labeled "City Map Supplement" and contains maps of the Chicago Metropolitan Expressway System, East St. Louis-St. Louis area, and individual maps of a number of other cities.

The reverse side of the regular map showing highways throughout the state is devoted to the Illinois Sesquicentennial observance. In addition to descriptive material the layout includes a number of scenic photos in color of various sections of the state.

Copies of the map may be obtained at information stations in the State Capitol and New State Office Building in Springfield.

Written requests for copies of the map should be sent to the Illinois Division of Highways, Room 130 at 2300 South 31st St., Springfield 62706; or Secretary of State's Office, Room 115, State Capitol Building, Springfield, Illinois 62706.

fy a maximum of 140-150 students in grades three through eight who would most benefit from the program. It was recommended by experts in remedial work that there should be a teacher for each twelve students. One, two or three buildings could be designated as program centers.

The high school said approximately sixty incoming ninth graders from all underlying schools using testing program recently administered plus individual teacher recommendations who will come under the program.

The ninth grade program will include development of reading, writing, speaking and listening skills.

The high school has found that because the participating students have a history of disinterest with learning, that the program must be diversified and dynamic. Scheduling would probably be in brief blocks of time, twenty minutes, with various activities, including recreational and refreshment, to sustain desire toward the academic.

Do Your Share: Help Stop Air Pollution

The problem of air pollution has been much in the news in recent years.

For people who live in metropolitan areas—which now means most of us—air pollution becomes more apparent all the time. The American Medical Association points out that there's little doubt that pollutants in the air aren't good for us. Just how serious a health problem is air pollution is a question still being studied. It has been associated with a number of various physical ills.

We read about air pollution, but it seldom occurs to us that we can do something about it. Isn't air pollution merely a matter for the factory with the belching smokestack, or the apartment building with a smoky incinerator?

Actually, there are some things we all can do to reduce air pollution:

- Make it a point to know air pollution dangers, and seek from elected representatives legislation to control these hazards.
- An important source of air pollution is the exhaust pipe on the family auto. Keep the engine in good order. Have the exhaust system inspected regularly. This will not only reduce air pollution, it also will save money on gasoline.

- Keep your home furnace in good working order. Have it checked annually, both for your safety and for the sake of the community.
- Leaves, trash and rubbish should not be burned in metropolitan areas. Arrange for the proper disposal point.

Prevention of air pollution is a matter that must be met by the whole community. Proper laws are required where voluntary actions are inadequate. Tight enforcement of these laws is essential.

We can anticipate that air pollution will continue to be much in the news in the years ahead. The problem will be solved much sooner if all of us become aware that it is serious, and that all of us are involved in its ultimate solution. 5-68

Entertainment, Travel Costs Are Deductible

Travel and entertainment expenses incurred in connection with a person's business may be deducted on his Federal tax return, the Internal Revenue Service reports.

Deductions for travel expenses including transportation costs, meals and lodging, tips and laundry are available to business men who travel away from home overnight on business.

Estimates of travel and entertainment expenses are not acceptable in support of claimed deductions.

Records for substantiation of travel or entertainment expenses should be timely maintained in an account book, diary or similar record supported by adequate documentation to establish the various elements of the expenditures.

Each separate expenditure for traveling away from home must be recorded, although the daily cost of breakfast, lunch and dinner can be aggregated. The record must show the business reason for the trip, destination, date of departure and return and the number of days spent on business.

Records for entertainment expenses should include the amount of each separate expenditure, date, the type of entertainment, such as dinner or theatre, and where it took place. In addition, the records must show the reason for the entertainment or the expected business benefits and the occupation, name and title or other destination sufficient to establish the business relationship of those entertained to the taxpayer.

The detailed rules on how to travel and entertainment expenses are available in IRS Publication No. 463.

3 Flags Presented To Antioch High

Three flags were presented to Mr. Albert Dittman for Antioch High School Thursday at a special flag assembly.

Albert Fronck presented the national flag, a gift to the high school from the Antioch American Legion; Mayor Ray Toft presented the town flag, a gift from the village of Antioch and the Chamber of Commerce and Morris Tharp, assistant student council adviser presented the state flag.

Mrs. Ted Larson was the guest speaker and gave a talk on "George Washington."

William Brook, president of the Antioch High School Board expressed the appreciation of the school for making these flags available and for the interest of these groups in the school.

The program also included a presentation by the band and the Freshman Girls' Chorus.

This is who to see for a good deal on auto insurance.

142 Attend Grass Lake Blue & Gold Dinner

A magnificent Statue of Liberty, surrounded by a display of Cub Scout handcraft, greeted 142 guests, family and friends at Cub Pack 80's Blue and Gold dinner at Grass Lake School Sunday afternoon.

The Statue of Liberty stood 6 feet tall and was created by Mrs. I. Okrzesik, whose son, Jim, is an active Cub Scout. The statue was made out of shoe boxes, paper tubes, plastic bottles, an old starched sheet, and was sprayed with gold paint. Mrs. Okrzesik worked on the creation of the statue for over a week. Beneath the statue was a brief history of her ladyship. It will remain on display in the lobby of Grass Lake School.

Lawrence Yopp introduced the Cub Scout Committee, Members and honored guest, Mrs. Helen Nolan, president of the Grass Lake School PTA. Mrs. Nolan gave a talk on what a Scout really is. Prayers were said by Ray Morrison.

A buffet smorgasbord dinner was served by the Cub Scout mothers. A two tier platform Cub Scout Cake decorated with flags and gold wolf, bear and lion heads was made by den mother Lou Belz for the occasion.

Immediately following the dinner, games were played by the Cub Scouts under the leadership of Bob Flint.

Robert Taylor received a Bobcat award and David Morrison received a wolf badge and one gold and 2 silver arrows. Kurt Flint received a bear badge, one gold and 2 silver arrows. Larry Grant received a bear badge and an athletic activity award.

Randy Vaughn received the Webelos Arrow of Light award, Richard Bailey a Webelos-Den Badge, and George Hermanek became a Webelos Scout and received the Webelos den badge and neckerchief.

Webelos Athletic Activity awards were given to Ray Morrison, Richard Bailey, Scott Davis, Harry Zoll and Randy Vaughn. Randy also received a Craftman award.

Silver arrows were presented to Cub Scouts Jim Okrzesik and Mike Vaughn. Two silver arrows were given to David Pitner and Fred Malecki received the Moon Shot Award.

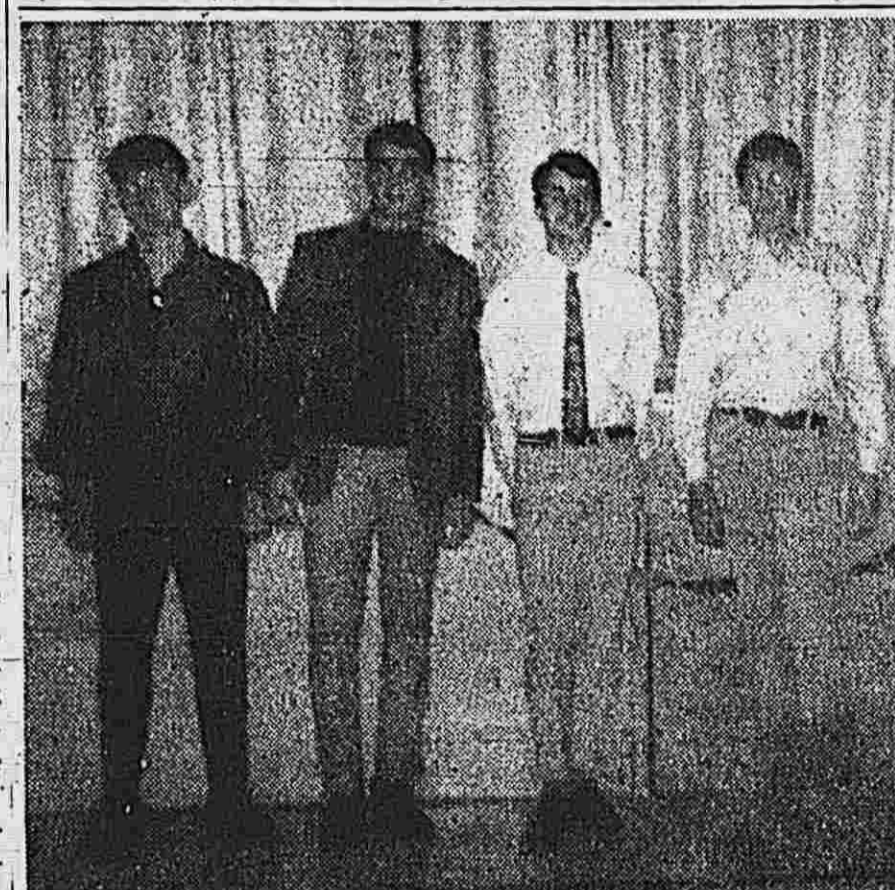

Den badges were earned by Harry Zoll and Larry Lloyd, and a Denner's Bar was earned by Tim Troyer and an Assistant Denner's bar by Scott Novak.

In the yearly contest award, David Pitner received the gold medal with a perfect score of 100. Jack Wojnowiak received the second place silver medal and Ken Bloom and Randy Vaughn tied for third place and received bronze medals.

After the awards ceremony the annual Pinewood Derby took place. A new eight car track was built by Cubmaster Mike Wojnowiak and Bill Belz. The

Bert Pauli and Eric Belz display their cars "Snoopy", complete with dog house and "The Red Baron". Eric Belz a member of Grass Lake School Cub Pack 80 raced the "Red Baron" in the big Pinewood Derby Sunday. Pauli raced "Snoopy" in the "big kids" race.

"The Expedition", a musical group, featuring (from left to right), Jocko Koppen (a Grass Lake School alumni) on the drums, Tom Martin, John Devos and Jeff Cole on the guitars, provided music for a dance for 6th, 7th and 8th graders at Grass Lake School last Friday night.

first place Derby winner was David Morrison; Randy Vaughn took 2nd place and George Hermanek 3rd.

Bert Pauli of LaGrange Park created one of the most novel cars. Snoopy, in a dog house was the driver, and Eric Belz's car was red with the Red Baron as the driver. Pauli entered his car in the "big kids" fun race and competed with Bill Belz, Mike Wojnowiak and Gary Vaughn. This last race proved that men are still kids at heart.

Tom Robinson finally came up with some good tobogganing weather Monday night and 60 Cub Scouts and their families enjoyed an evening of tobogganing at Lupa's.

MOOSE TOPICS

By Lillian Birdsall

All final plans have been made for the Wild Game dinner to be held at the Antioch Moose Home, Saturday evening, March 2nd. The members of the Antioch Hunt Club, who are sponsoring this dinner, discussed their plans at the meeting of Feb. 22. The menu consists of Buffalo Roast, Venison dressing and all the trimmings. Serving will be from 6 to 9 p.m. Music for dancing will be by Barry Schaffer's Band. Free door prizes will be awarded to one of the attending members. All members and their friends are invited to attend.

There were eight new members and one re-enrollment at the enrollment ceremony for the Loyal Order of Antioch-Moose on Sunday morning, Feb. 25. The Antioch Ritual team performed the ceremony for the new members following the serving of breakfast. New members are as follows: John W. Imhauser, sponsored by Buster Schumann; Kenneth Wickman and J. P. Peck, both sponsored by Lester Sperling; George M. Schmalz by Warren Andre; Everett Schreiman by Charles Holmes; Hugo Holbek by Harold Klempner, Frank H. Kiley by Ray Edwards; Glen Grejmalek by Dennis Andre and re-enrollment, Robert Baysinger by Al Erickson. The next enrollment ceremony will be held on Saturday evening, March 30.

The Loyal Order of the Antioch Moose will hold their next meeting on Wednesday evening, Feb. 28. The birthday dinner will be served to the members following the meeting in honor of all members following the meeting in

honor of all members who celebrated their birthday in the month of February.

A Legion Ceremonial will take place at the Waukegan Moose Home, on Sunday afternoon, March 3, at 2 p.m. All Legionnaires and their ladies are invited to attend. A buffet style dinner will be served to the members following the ceremony. All Legionnaires are asked to wear their regalia.

The Men's style show which was held at the Antioch Moose Home Saturday evening, Feb. 24, was a grand success. Over 200 members and their friends attended the hilarious affair. Master of ceremony, Ray Dasko had a unique way of presenting models who were all men modeling women's clothing.

A smorgasbord was served to the attending members following the show of which most of them remained until closing, dancing to the music of the Rhythm Kings band.

All the proceeds made from this style show will go for the remodeling program. Ron Polson, chairman of this committee has done a terrific job with the remodeling and the Saturday night affair was an example of the dedication and the members are all proud of their new Moose Home.

Ill. Okays 54 Brand Names Motor Cycle Helmets

Motorcycle helmet manufacturers have now certified 54 brand names of helmets meeting or exceeding Illinois standards to conform with the new motorcycle safety legislation.

An "Interim Approved Motorcycle Helmet List" has been distributed to all Illinois law enforcement agencies. Actual brand names are listed, for guidance of officers and equipment owners. In addition to meeting basic standards, each helmet must contain two pieces of reflective material, of any color, each four square inches. In addition, an exterior label will bear manufacturer's brand name.

Kits containing reflective material and label should be available at motorcycle helmet dealers. Operators and passengers who do not have approved helmets should contact their dealers, and should expect kits with labels, from the manufacturer in the near future.

Attend Funeral

Mr. and Mrs. Russell Barthel and sons of Antioch returned home Sunday after attending the funeral of Mrs. Barthel's mother, Mrs. Mary Webb, at Colfax, Ill. Mrs. Webb is also the mother of Mrs. Crete Greenlee of Gibson City, a former Antioch resident. Mrs. Webb had visited in the Antioch area many times.

One guest to another during the wedding ceremony. "He thought he was just handling her a line."

Out of the water. Not breathing. Now what?

1 Clear visible foreign matter from mouth.

2 With one hand under neck and other on forehead, tilt head backward. This draws the tongue forward opening the air passage. For infants, do not exaggerate backward tilt of the head.

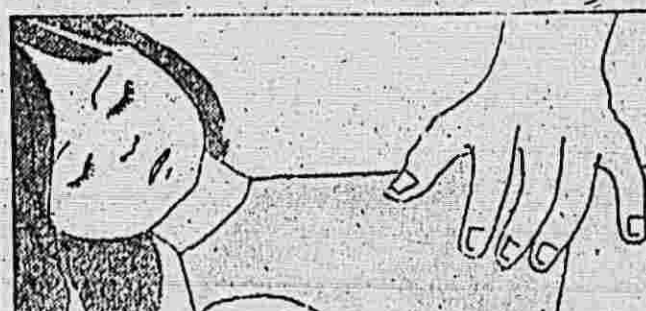

3 Seal your mouth around child's mouth and nose. (For adult pinch nose shut and seal your mouth over his.) With a child, blow gently. Repeat breathing cycle 20 to 30 times a minute. (For an adult blow in twice the amount of the victim's normal breathing 12 times a minute.)

4 On every breath, chest should rise. If chest does not rise, recheck the head position. Pull or push jaw into a jutting position and blow again.

5 If air is not exchanged, roll victim on his side, hit sharply between shoulder blades to dislodge possible obstruction. Clear mouth, tilt head, and resume blowing.

6 If stomach inflates with air, turn the head to side, exert moderate pressure with hand on stomach. If regurgitation occurs, clear mouth and begin again.

This is the most effective method of artificial respiration. Take the free Red Cross courses: 3.5 million people did last year.

Antioch Sophs Split 2 Games

Beat Wauconda 67-40
Lose To Zion-Benton 55-45

Antioch's sophomores split two games last weekend beating Wauconda's sophomores at Wauconda Friday night 67-40, and losing to Zion-Benton on Saturday night at home, 55-45.

High scorer Friday night was Antioch's Marty Romaine with 21 points, and top scorer in Saturday night's game was Zion-Benton's Mitchell with 15 points. These two games conclude the season for the sophs and give them a season's record of 5 wins and 19 losses, and a conference records of 5 wins and 9 losses.
